Details Of Programs Offered in 2025-26

Chapter 1 -List Of Programs Offered

List of Programmes Offered:

BNYS Degree Course: Bachelor of Naturopathy and Yogic Sciences is a 5.5-year professional naturopathy medical degree course.

PG Diploma in Yoga & Naturopathy: 1-year Postgraduate diploma in Yoga & Naturopathy.

Introduction:

- **Naturopathy is a drugless, non-invasive rational and evidence-based system of medicine, imparting treatments with natural elements based on the theory of vitality, theory of toxemia, theory of self-healing capacity of the body, and the principles of healthy living.** The practice of naturopathy is based on a belief in the body's ability to heal itself through a special vital energy or force guiding bodily processes internally.
- Diagnosis and treatment primarily concern alternative therapies and "natural" methods that naturopaths claim promote the body's natural ability to heal. Naturopaths focus on a holistic approach, completely avoiding the use of surgery and conventional medicines. **It uses natural therapies such as Nutrition, Herbal Medicine, Acupuncture, Homeopathy, Hydrotherapy, Manipulative therapy, Hydrotherapy, Fasting, Physiotherapy, and Sports Medicine, and other modalities in accordance with naturopathic principles.**

Departmental Introduction:

- **Balaji Naturecure Wellness Center (Formerly Balaji Nirogdham Naturopathy & Yoga Center) has been established by Maharaja Agrasen Naturopathy and Yoga Sadhana Research Trust at Delhi**
- Established in the year 2006 on an 8-acre area, expanded presently up to 10-acres, continuously growing campus at the outskirts of Delhi, Balaji Naturecure Wellness Center has become a widely acclaimed destination for **patients suffering from various diseases like Obesity, Diabetes, Hypertension, Joint Pain, Skin Diseases, Depression, and many other lifestyle-related diseases.**
- **Balaji Naturecure Wellness Center is run on a day-to-day basis by professionals in various disciplines, including qualified doctors and experienced staff,** under the direct supervision and guidance of the Board of Management comprising senior members of Maharaja Agrasen Naturopathy and Yoga Sadhana Research Trust.
- **The treatments and therapies, conducted by qualified and experienced doctors, are based on the ancient Indian concept of nature cure, coupled with judicious usage of the latest diagnostic equipment, physiotherapy, and treatment aids, but without administering any type of allopathic medicines, injections, or surgeries.**
- Motivated by an increasing number of patients getting relief from various chronic diseases, backed by its personalized services in an eco-friendly environment, along with constant and unflinching support from members of its governing body, **Balaji Naturecure Wellness Center optimistically looks forward to providing affordable treatments to the common man through Naturopathy and Yoga, hence creating a disease-free world.**

Philosophy and Treatments:

- Naturopathy is a system of primary health care based on the philosophy of the Healing Power of Nature, that is, living systems have an inherent ability to establish, maintain, and restore health. Naturopathy is based on the concept of Panchambhutas — that the body is made up of five basic constituents: Earth, Water, Fire, Air, and Ether. Imbalance of these five elements, as well as deposition of foreign matter (toxins) in the body, causes diseases.
- Unlike allopathy, mere symptoms are not treated in Naturopathy; rather, the underlying cause of the illness or disease is treated. Treatment of any disease is done by getting the body rid of toxins and restoring the balance of the five basic elements. These elements are used to revitalize and rejuvenate the body and strengthen the immune system against the disease-causing agents present in the environment. This therapy utilizes the purificatory properties of various fruits, vegetables, and herbal juices to clean the body of accumulated toxins, which are a result of an unhealthy lifestyle.
- Yoga is an ancient physical, mental, and spiritual discipline that involves a combination of processes to attain a holistic sense of well-being. The central aim remains to achieve a heightened sense of peace and wholesome happiness about oneself and things around. Being practiced for over 5000 years, Yoga, with its eternal benefits and ever-increasing popularity, continues to extend its impact and influence across the boundaries of different cultures and languages.
- Over the years, Naturopathy and Yoga have emerged as alternative therapies of healing sciences. In fact, these are not merely alternative healing sciences, but are more of a refined way of using life in sync with nature. Naturopathy and Yoga advocate life close to nature and help maintain a healthy relationship with our environment.

Objectives of the Course:

The program leading to the BNYS Degree consists of a duration of four and a half years and one year of Internship (4.5+1= 5.5 Years). Through planned guided experience, students are provided with opportunities to develop:

1. A broad concept of fundamental principles of quality Naturopathy and Yogic Science Care.
2. Develop a satisfactory level of skill in students in providing care to people of all ages in a community or institutional setting.
3. Understanding of the application of principles from the physical, biological, social, and behavioral sciences for assessing health status.
4. Ability to work collaboratively with members of allied disciplines toward attaining optimum health for all members of society.
5. Understanding of fundamental principles of administration and organization of Naturopathy and Yogic Sciences.
6. Appreciation of the various forces affecting the community-based social health and welfare programs.

Chapter 4 - Eligibility & Admission Criteria

ELIGIBILITY CRITERIA:

1. AGE LIMIT:

- Candidates must have completed 17 years of age on or before December 31, 2024. Proof must be provided upon request. If a candidate provides false age information, their admission will be canceled, and all fees will be forfeited.

2. EDUCATIONAL QUALIFICATIONS:

- Candidates must have passed all subjects, including Biology, in the Higher Secondary Certificate Examination (10+2) or an equivalent exam from a recognized Board or School with a minimum of 50% marks in Physics, Chemistry, and Biology (PCB) before the declared date of admission.

Note: Candidates who have passed any other equivalent examinations with the same subjects must produce the Eligibility Certificate from the State Board during counseling.

3. INELIGIBLE CANDIDATES:

- Candidates who have passed Higher Secondary in the Vocational Stream.
- Private candidates who have passed the Pre-University Course or those who have passed through Open Schooling.

Note:

- Only marks obtained in the first attempt of the qualifying exam will be considered. Improvement marks will not be considered.
- Candidates with equivalent qualifications should provide an eligibility certificate.
- Candidates submitting mark sheets in grades must also provide the equivalent marks certificate issued by the examining authority.

4. DURATION OF THE BNYS COURSE:

The course lasts 5.5 years, including one year of **Compulsory Rotatory Internship**.

5. METHOD OF SELECTION AND ADMISSION:

- Ranking will be based on marks obtained in the prescribed science subjects in the qualifying examination, normalized to 200 marks.
- Marks obtained from different Boards of Examination will be considered after normalization.

CALCULATION:

- Weighted Total Marks for a maximum of 200
- Percentage in Biology (after normalization) = (X)
- Percentage in Physics and Chemistry taken together (after normalization) = (Y)
- Weighted total marks for a maximum of 200 = (X + Y)

The percentage & the weighted total for merit calculation will be rounded up to 2 decimals.

Note: 200 weighted total includes 100 from Biology (or equivalent subject) and 100 from Physics and Chemistry taken together.

6. RANKING OF CANDIDATES will be based on the total marks obtained in the relevant science subjects after normalization of marks, computed to a maximum of 200. Improvement marks from any year in this examination are not valid and will not be considered.

(b) NORMALIZATION OF MARKS:

The marks obtained by students in the relevant subjects in the qualifying examination conducted by various Boards or Authorities will be equated with the marks obtained by students in the same subjects in the qualifying examination.

Explanation: Under the method of normalization, the highest mark obtained by students from various Boards in each subject will be equated to the highest mark obtained by students of the State Board in that subject, and the relative marks obtained by other students in that subject will be determined accordingly.

Illustration: If the highest mark secured by a student of the State Board in Physics is 100, and the highest mark secured by a student from another Board in the same subject is 90, both the marks will be considered equal to 100. If the student from the other Board secures 60 marks in Physics when the highest mark in the State Board is 90, the 60 marks will be considered equal to 66.66 marks, calculated as follows:

$$\frac{100 \times 60}{90} = 66.66\%$$

7. DETERMINATION OF RANK OF CANDIDATES OBTAINING EQUAL MARKS

(Inter-se Merit)

In cases where two or more candidates obtain equal aggregate marks (for 200), the rank of such candidates will be determined based on the following order:

- Percentage in Biology or Botany & Zoology taken together in the 10+2 examination.
- Percentage in Chemistry in the 10+2 examination.
- Percentage in the fourth optional subject in the 10+2 examination.
- Date of Birth-Weightage given to seniority in age.

NOTE : The Merit List will be published on the Notice Board at the office of the Selection Committee and will be posted simultaneously on the website:

8. ALL SELECTIONS & ADMISSIONS FOR THE BNYS COURSE ARE PROVISIONAL

Selection and admission are liable to be canceled at any time if the eligibility conditions are found to be deficient or incorrect, or if there is any suppression of facts, deliberately or otherwise. The right of allotment to the BNYS Course seat rests entirely with the Admission Committee of the college.

9. COUNSELLING :

- Selection will be made on a merit basis and by counseling.
- The option once exercised during counseling will be final and cannot be changed.
- Candidates who fail to attend counseling at the specified date and time will forfeit their right to admission, and their names will not be considered later.
- One of the parents or guardians will be allowed to accompany the candidate to the counseling session, and they should make their own arrangements for attending. No individual intimation will be sent for regular counseling through any mode.

(a) All communication regarding counseling will be displayed and available through the official college website, and any change or modification of relevant information will be made available on the website: www.knkcny.com.

(b) Candidates are instructed to visit the website at least two times a day for updates from the date of the application issue until the end of the admission process. The Admission Committee will not be responsible for any consequences resulting from non-diligent follow-up of notices, notifications, and publications on the website regarding admission to BNYS Course 2025-26.

(c) Candidates can exercise their option for the course of their choice at the time of counselling, subject to seat availability.

- i. Individual requests for transfer of College or Course will not be entertained after the allotment of the seat.
- ii. No candidate can opt to be waitlisted for a particular course when seats are available for admission.

(d) Candidates who receive re-totaled/revalued marks during the first appearance only can attend counseling according to their new marks. If the candidate produces re-totaled/revalued marks after counseling is over and within the cut-off date (as declared by the college), their name will be considered only in the existing vacancies. They will not have preferential rights for allotment based on merit under re-totaled/revalued marks. Candidates who submit revalued/re-totaled marks after the cut-off date fixed by the government will not be considered for selection.

e) The vacancies arising after the first phase of counseling will be filled up from the waiting list through the 2nd counseling.

f) Also, Counseling/Allotment for the seats newly created due to the provision of seat matrix after the commencement of the first phase counseling, or due to the orders/interim orders passed/issued by the court or government or statutory authority after the commencement of the 1st phase counseling, will be done during the 2nd phase counseling but within the cutoff date for different courses in Yoga and Naturopathy admission as given by the university.

g) The Admission Committee reserves the right to admission of the candidate.

h) Mutual transfers will not be entertained under any circumstances.

i) The Counseling Schedule will be made available on the website.

j) If a candidate opts out of counseling (not willing to take admission against the seat), when seats are available at the time of his/her counseling, then he/she will not be eligible for the same seat at any point of time later for whatsoever reason.

k) Candidates getting allotment for any other reasons, at a later date after the counseling is over, will be given a seat in the existing vacancies available in the college, irrespective of their merit or marks.

l) Choice of Candidates:

i) The candidate is eligible to opt for BNYS or PG diploma course in the college based on his/her eligibility. Likewise, he/she can opt to be waitlisted for either category. Re-allotment will be available only for those who have joined the college within the stipulated time.

ii) Re-allotment for the vacancies arising due to non-joining of the candidates will be done on a merit basis, subject to the availability of sufficient time before the cutoff date as prescribed by the University.

m) Re-allotment is not a matter of right for the candidate. Re-allotment will be done only through counseling on a merit basis if vacancies are available. If sufficient time is not available, vacancies will be filled up with candidates from the waiting list on a merit basis only.

n) Candidates getting allotment through court orders before the cutoff date will be given a seat in the existing vacancies available at the time of counseling when he/she attend.

o) Discontinued/Not joined vacancies in any category will be added to the General Category.

p) If an adequate number of eligible candidates are not available in any category, then the earmarked seats will be reverted to the General Category.

10) The candidate should affix a passport-sized photograph not taken more than three months before submission of the application in the space provided in the application form.

11) The code numbers for different qualifying examinations, religions, mother tongues, and districts are given here under:

Qualifying Exam	Abbreviation	Code
Delhi Board of School Education (DBSE)	DBSE	1
Senior Secondary Certificate Examination of Central Board of Secondary Education	SSCE of CBSE	2
Indian School Certificate Exam. of the Council for the Indian School Certificate Exam	ISCE	3
Any other examination which has been recognized as Equivalent to code No.1 by the respective authority	OTHERS	4

12. All the entries in the application form should be written legibly by the candidate in his/her own handwriting. The candidate should ensure that all information, including the marks in the qualifying examination furnished by him/her in the application and the enclosures, are correct. The candidate is informed that, after proper scrutiny of his/her application, if it is found that the marks furnished by him/her in the application are not correct or any other information is found to be incorrect, then:

- He/She will forfeit the admission, no matter at what stage of the course he/she will be at that time.
- He/She will be debarred from pursuing any studies for a period of three years.
- Legal action will be initiated against the candidate and the parents for furnishing incorrect information.
- Criminal action will be instituted against him/her for furnishing false mark sheets/false community certificates/false nativity certificates, etc.

13. No photocopies of documents enclosed with the application will be returned. Candidates are required to enclose ONLY one set of self-attested photocopies of the following certificates along with the application:

- Mark sheet of Higher/Senior Secondary Certificate Examination (HSCE/SSCE), 10+2 examination (both sides of the mark sheet should be photocopied) or any other equivalent examination of the first appearance.
- Mark sheet of Secondary Certificate Examination, 10th (SCE) (both sides of the mark sheet should be photocopied) or any other equivalent examination of the first appearance.
- Passing certificate of HSCE/SSCE (12) and 10th class certificate.
- Transfer/migration certificate obtained after the completion of HSCE/SSCE or equivalent courses.
- Birth certificate.

f. Annual Income Certificate, if applicable.

g. First Graduate Certificate, if applicable.

h. Any other certificate obtained in any course pursued by the applicant before taking admission.

14. Candidates selected for admission to the BNYS Course are not guaranteed any appointment in the Government Service.

15. The candidates will be required to undergo a medical examination at the college to which they are allotted before the Medical Board on the date notified by the authorities of the college. Only those candidates found medically fit will be admitted and permitted to pay the fees.

16. In respect of selected candidates, adequate original documentary evidence shall be required, and verification may also be done to decide on their eligibility under various categories.

17. Enquiry or any correspondence regarding the selection of candidates will not be entertained.

18. The Candidates who join the BNYS Course should not indulge or participate in any kind of ragging. If they are found to have indulged in ragging in the past or noticed later, the candidates will be removed from the roll of the institution at whatever stage of study, and criminal action will be taken against candidates.

19. As a number of bogus community certificates are being encountered of late and in order to curb such practices, the authentication of the above certificates has to be verified and confirmed by the concerned authority before the individual completes the 1st year of the BNYS course. The concerned candidate and parents should take necessary steps to that effect. Unless proof of authenticity is provided in time, the candidate will not be allowed to continue the 2nd year of study.

20. The government orders issued and to be issued from time to time pertaining to any of the matters contained in the prospectus should be read as part and parcel of this prospectus, and such terms and conditions in the government order are deemed to have been incorporated in this prospectus.

21. No admission, re-allotment/transfer shall be made after the cut-off date/extended cut-off date for the academic year as per the guidelines issued by the Sri Lal Bahadur Shastri National Sanskrit University (Central University).
